

Academic Development

Students will acquire the attitudes, knowledge, and skills contributing to effective learning in school counseling.

Career Development

Students will acquire the skills to investigate the world of work in relation to knowledge of self, and make informed career decisions.

Personal/Social Development

Students will acquire the attitudes, knowledge, and interpersonal skills to help them understand and respect self and others.

School counselors...

- Work with ALL students
Encourage a safe school climate of trust and respect
Work with individuals and small groups
Help identify needs of students
Encourage better relationships
Promote positive attitudes and choices
Teach developmentally appropriate classroom guidance lessons
Collaborate with teachers, support staff, administration, parents/guardians

In the counselor's office kids can...

- Talk about things that are important
Learn how to make friends and solve conflicts
Play games that teach about feelings
Calm down and learn how to handle stress

Mission Statement

The mission of Lanesville Elementary School's Counseling Program is to contribute positively and successfully to the educational, personal/social, and career development of all students. This is accomplished through a partnership with parents/guardians, staff, and community members to enable all students to become successful, productive citizens and lifelong learners in a diverse and changing world.

How to contact the counselor

Students in grades 2-6 have a form pinned in their Google Classroom for Guidance they can complete if they need to see me.

Students in grades K & 1 can ask their teacher to see me. Most students in these grades will be referred by their teacher.

Students can be referred to the counselor by a parent, teacher, administrator, friend, or self.

Parents/Guardians, email is the best way to reach me: mckimj@lanesville.k12.in.us

Confidentiality

Information shared with the school counselor is confidential unless:

1. There is concern of harm to yourself or others
2. There is concern of abuse

In the above situations counselors are required by law to report this information to parents and/or appropriate agencies.
